

2022 Lender's Down Payment Assistance Training

The Wisconsin Mortgage Bankers Association and Home Buyers Round Table of Dane County are offering our annual training for lenders online this year! We'll make you aware of the various products available so you can better educate your buyers and overcome challenges with down payment.

Both sessions will cover down payment information on City Programs, State Programs, Other Programs and we'll hear from Linette Rhodes from the City of Madison about the current state of housing in Dane County. You won't want to miss this opportunity to be current with your knowledge and an expert in your field!
